SPECIFICATION FOR

AMENDMENT NO. 1 AUGUST 1991

TO

IS 12330 : 1988 SPECIFICATION FOR SULPHATE RESISTING PORTLAND CEMENT

(*Page 3, clause 8.2*) — Insert the following new clauses after 8.2 and renumber the existing clause 8.3 as 8.4:

‘8.3 When cement is intended for export and if the purchaser so requires, packing of cement may be done in bags other than those given in 8.2 with an average net mass of cement per bag as agreed to between the purchaser and the manufacturer.

8.3.1 For this purpose the permission of the certifying authority shall be obtained in advance for each export order.

8.3.2 The words ‘FOR EXPORT’ and the average net mass of cement per bag shall be clearly marked in indelible ink on each bag.

8.3.3 The packing material shall be as agreed to between the supplier and the purchaser.

8.3.4 The tolerance requirements for the mass of cement packed in bags shall be as given in Appendix A except the average net mass which shall be equal to or more than the quantity in 8.3.’
