

AMENDMENT NO. 1 JULY 1984
TO
IS:4810-1968 SPECIFICATION FOR FUMIGATION
SHEETS AND COVERS, RUBBERIZED

Addendum

(Page 13, clause C-2.3.2.2) - Add the following
new clause C-2.3.2.3 after clause C-2.3.2.2

'C-2.3.2.3 If specimens taken from these fumigation covers fail in one or more tests, each such tests shall be repeated twice. For this purpose, two futher metre lengths shall be cut from the same cover as the failing covers and specimen shall be cut from each of them so that duplicate tests may be conducted in case of each failure. If all the retests have passed, the lot shall be declared as conforming to the specification, otherwise not.'
