

AMENDMENT NO. 1 SEPTEMBER 2024
TO
IS 17900 (PART 6) : 2022 LIFTS FOR THE TRANSPORT OF PERSONS AND
GOODS
PART 6 GUIDE FOR MAINTENANCE OF LIFTS

(Page 6, clause 8) — Insert the following at the end:

‘9 QR CODE FOR KNOWING ELEVATOR DETAILS

9.1 Every lift shall have a QR code which shall be displayed prominently in the lift car, and when scanned shall provide the following information about the lift:

- a) Name of the original equipment manufacturer; and
- b) Specification of the lift:
 - i) Type of lift (traction, hydraulic, positive, etc);
 - ii) Intended use of elevator (like passenger lift, goods lift, service lift, home lift, etc);
 - iii) Rated capacity in kg and number of persons;
 - iv) Rated speed in meters per second;
 - v) Drive type;
 - vi) Number of stops and landings served;
 - vii) Rated kW of machine;
 - viii) Name and address of location where it is installed;
 - ix) Date when license was issued;
 - x) License copy;
 - xi) Copy of hand-over-inspection report carried out by OEM and/or licensing authority before handing over the lift for beneficial use to user as per IS 17900 (Part 6); and
 - xii) name, address and telephone number of service provider.

NOTE — The responsibility of issuing the QR code, and for maintaining the related data as well as updating it, should rest with the lift licensing authority of the respective state government.

9.2 In case OEM or service provider terminates the service for whatever reason, they shall inform the owner and the licensing authority in writing giving all above details and date from which service has been terminated.

9.3 Building owner shall also inform licensing authority in writing when they change the service provider with details of new service provider with name of company, responsible person in charge of providing service, and his address along with telephone numbers.

9.4 The service provider shall carry out yearly inspection of equipment under maintenance and submit the report with non-conformances if any as per checklist in IS 17900 (Part 6) to building owner and licensing authority.

9.5 Licensing authority shall update QR code file on yearly basis to indicate:

- a) Yearly inspection report.
- b) Changes in service provider if any with details of name, address and telephone number of service provider.’
