

AMENDMENT NO. 2 DECEMBER 1989
TO
IS : 435 - 1973 SPECIFICATION FOR CASTOR OIL
(Second Revision)

(Page 5, clause 5.2) — Add the following new clause after 5.2:

5.2.1 The containers may also be marked with the Standard Mark.

NOTE — The use of the Standard Mark is governed by the provisions of the Bureau of Indian Standards Act, 1986 and the Rules and Regulations made thereunder. The Standard Mark on products covered by an Indian Standard conveys the assurance that they have been produced to comply with the requirements of that standard under a well-defined system of inspection, testing and quality control which is devised and supervised by BIS and operated by the producer. BIS marked products are also continuously checked by BIS for conformity to that standard as a further safeguard. Details of conditions under which a licence for the use of the Standard Mark may be granted to manufacturers, or producers may be obtained from the Bureau of Indian Standards.
