

AMENDMENT NO. 2 JULY 1989
TO
IS : 1709 - 1984 SPECIFICATION FOR CAPACITORS
FOR ELECTRIC FAN MOTORS

(First Revision)

(Page 9, clause 7.1.3.3) — Insert the following after this clause:

'NOTE — If the capacitors are identical in design, it shall be sufficient to test the lowest, middle and the highest rating of the capacitance of the capacitor for the purpose of type testing of entire range.'
