

AMENDMENT NO. 1 AUGUST 1993
TO
IS 1746 : 1992 SHOE POLISH, PASTE — SPECIFICATION
(Third Revision)

(*Second cover page, Foreword*) — Considering the international trade practices, on marking of polishes, the word paste is being deleted from the marking clause. It is, however, retained in the title to indicate its physical state.

[*Page 2, clause 6.1 (c)*] — Delete the word 'PASTE' wherever it occurs.
