

AMENDMENT NO. 3 MAY 2008
TO
IS 1239 (PART 1) : 2004 STEEL TUBES, TUBULARS
AND OTHER WROUGHT STEEL FITTINGS — SPECIFICATION

(Sixth Revision)

(Page 2, clause 6.1.1, first sentence) — Substitute the following for the existing:

‘Chemical composition of steel to be used for seamless steel tubes, shall comply with Table 1 in Ladle sample analysis.’

(Page 3, clause 8.1.1) — Add the following Note at the end:

‘NOTE — Mass of plain end tubes is also applicable for threaded tube without socket.’

(Page 6, clause 17.3) — Delete the ‘Note’.

(Page 6, clause 17.4) — Add the following Note at the end:

‘NOTE — Additional colour bands, as given in 17.2 to 17.4 may also be applied.’
