

**AMENDMENT NO. 1 MARCH 1997
TO
IS 9493 : 1980 SPECIFICATION FOR CARTONS FOR
NON-SOAPY DETERGENTS**

(*Page 3, clause 0.2*) — Insert the following new clause after 0.2 and renumber the subsequent clauses:

‘0.3 A scheme for labelling environment friendly products known as ECO Mark has been introduced at the instance of the Ministry of Environment and Forests (MEF), Government of India. The ECO Mark would be administered by the Bureau of Indian Standards (BIS) under the *BIS Act*, 1986 as per the Resolutions No. 71 dated 21 February 1991 and No. 425 dated 28 October 1992 published in the Gazette of the Government of India. For a product to be eligible for marking with ECO logo, it shall also carry the ISI Mark of BIS besides meeting additional environment friendly requirements. For this purpose, the Standard Mark of BIS would be a single mark being a combination of the ISI Mark and the ECO logo. Requirements to be satisfied for a product to qualify for the BIS Standard Mark for ECO friendliness, will be included in the relevant published Indian Standards through an amendment. These requirements will be optional, manufacturing units will be free to opt for the ISI Mark alone also.

This amendment is based on the Gazette Notification No. 364 dated 7 September 1995 for packaging material/package (Part I Paper Board and Plastics excluding laminates) as environment friendly products, published in the Gazette of India. This amendment is, therefore, being issued to this standard to include environment friendly requirements for cartons for non-soapy detergents.’

(*Page 7, clause 5.5*) — Insert the following new clauses after 5.5 and renumber the subsequent clauses:

‘6 ADDITIONAL REQUIREMENTS FOR ECO MARK
