

AMENDMENT NO. 1 APRIL 1999
TO
IS 9654 : 1993 INFORMATION ON FERRITE
MATERIALS TO BE SUPPLIED BY MANUFACTURERS
OF TRANSFORMERS AND INDUCTOR CORES
(First Revision)

(Foreword, seventh para) — Substitute the following for the existing para:

“This standard is based, without any technical change, on IEC 60401(1993)
‘Ferrite materials — Guide on the format of data appearing in manufacturers
catalogues of transformer and inductor cores’, issued by the International
Electrotechnical Commission (IEC).”
