

AMENDMENT NO. 1 APRIL 1986

TO

IS:7705-1975 CODE OF PRACTICE FOR PACKAGING OF
PRECISION AND SPECIAL PURPOSE STEEL TUBES

(*Page 4, clause 3.1.1, line 3*) - Add the words
'or steel straps' after the words 'coir rope'.

(*Page 4, clause 3.1.2, first sentence*) -
Substitute the following for the existing sentence:

'The bundles of tubes of length not exceeding 7 m
shall have their ends covered with hessian or bitu-
menized hessian or plastic caps, bound securely with
annealed steel wire of 2 to 3.2 mm diameter or poly-
propylene or coir rope or steel straps of appropriate
strength at a distance of 20 to 30 cm from either
end.'
