

**AMENDMENT NO. 2 DECEMBER 2015
TO
IS 8001 : 1976 SPECIFICATION FOR PACKAGING
OF PLYWOOD, BLOCKBOARDS AND
FLUSH DOORS FOR EXPORT**

(Page 3, Foreword, clause 0.5) — Insert the following new clause after 0.5 and renumber the subsequent clause:

‘0.6 Many countries including India have put quarantine regulations in place to protect their native forests from the introduction of wood pests. In order to prevent the proliferation of differing import regulations, the International Plant Protection Convention (IPPC) Secretariat, part of the Food and Agriculture Organization (FAO) of the United Nations, has issued ISPM 15 (International Standards for Phytosanitary Measures) 'Guidelines for Regulating Wood Packaging Material in International Trade'. ISPM 15 describes phytosanitary measures that reduce the risk of introduction and spread of quarantine pests associated with the movement in international trade of wood packaging material made from coniferous and non-coniferous raw wood.’
