

AMENDMENT NO. 1    APRIL 1981

TO

IS:6733-1972    SPECIFICATION FOR WALL AND ROOFING NAILS

Alteration

*(Page 2, clause 5, second sentence)* - Substitute the following for the existing sentence:

'They shall be uniformly circular in section, straight, free from wasters. The wall nail shall have a sharp point and the roofing nail, a chisel point.'

(EDC 27)
