

AMENDMENT NO. 1 OCTOBER 1980
TO
IS : 6821-1973 METHODS FOR
SAMPLING NON-THREADED FASTENERS

Alterations

(*Page 1, clause 1, first sentence*) — Substitute the following for the existing sentence:

'Prescribes methods of sampling under normal inspection and criteria for conformity for non-threaded fasteners such as pins, cotters, nails and washers.'

(*Page 6, Appendix A, informal table, Sl No. 1 to 9, under 'Rivets'*) — Delete and renumber the subsequent items accordingly.
