

AMENDMENT NO. 4 SEPTEMBER 1999
TO
IS 6290 - 1986 SPECIFICATION FOR STEAM IRONS
(First Revision)

(Page 4, clause **1.1**, para 3) — Insert the following new para at the end of para 3:

'IS : 302-2-205 Safety of household and similar electrical appliances : Part 2 Particular requirement, Section 205 Steam irons', covering exclusively safety requirements of steam irons has been published. With this, the safety requirements specified in this standard (clauses **8** to **32** except clauses **18** and **21.101**) stands referred to the corresponding clauses of IS : 302-2-205. Steam irons shall conform to IS : 302-2-205 regarding safety requirements. Regarding clauses **18** and **21.101** as well as other performance requirements, the provisions of this standard shall continue to apply.'
